Animated works are available for flat-rate streaming.

**For learners of Japanese (introductory to beginner level)
and children**

Useful for listening and reading.

**Audio and subtitle switching
will be made multilingual.**

Words you do not know
can be understood with pictures.

**Easy to keep studying
without getting stuck.**

Flat-rate streaming service.

New videos keep coming.

【Features】

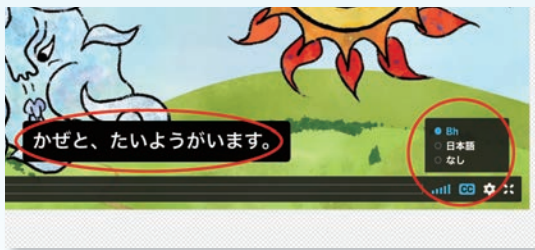

1 Audio and subtitle switching, which is useful for listening and reading, will be made multilingual.

Audio language and subtitles can be switched or turned on and off according to the learner's preference, which is helpful for shadowing or dictation practice.

Audio language: three types (Japanese, English, none)

Subtitles: four types (mixed kanji-kana, hiragana, English, none)

We plan to add more languages in the future!

2 Animated works help you keep studying.

The pictures move in time with the narration, making it easy to understand the story even if you do not understand all the words, and allowing you to proceed with your study without getting stuck.

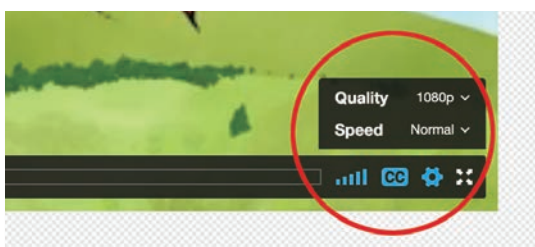

3 There is a repeat function! Playback speed can be changed!

You can improve your Japanese-language skills by watching the videos many times.

Words and phrases are firmly rooted in the language, leading to long term memorization.

Learners can learn at a speed that suits their level and makes it easier to concentrate.

4 Each video is short! Good for children or those of you who are not comfortable with books!

Each film is only 3-15 minutes long, so limited study time can be used efficiently.

You can learn at your own pace, anytime, anywhere, while having fun and maintaining your concentration.

By repeatedly watching short videos with concentration, you can build up your short learning time and consolidate what you learn in long-term memory.

About Vol. 1

ASK Original Series (forty animated works)

The contents are graded to match the Japanese-proficiency level of the learner.

The “Moving Picture-Book Library - Vol. 1, ASK Original Series” is a series of animated works that ASK Visual Contents Division has selected and animated from the “Japanese Graded Readers -Nihongo Yomuyomu Bunko-” series (published by our company) , which was supervised by the NPO TADOKU Supporters. The stories equivalent to the Japanese-Language Proficiency test (JLPT) levels N5 to N4 are animated in Vol. 1.

The stories are in Japanese, from introductory to beginner level, so learners can enjoy learning.
